

## Culturally Relevant Pedagogy Expert, ELA/K-8 Curriculum Development

### **About Us:**

Wisewire is an Edtech company focused on learning design & grounded in the science of how students of all ages engage, practice, and learn. We create technology-enabled solutions for providers in the pre-K-12, university, career readiness, and alternative credential markets. Our scalable technology enabled framework-driven approach accelerates time to market with high fidelity to outcomes. Design thinkers at our core, we complement fresh perspectives with our combined decades of expertise in quality experience design, sustainable content investment, and a repository of customizable learning objects and skill packs.

Our learning materials have been adopted by 48% of the institutions in the United States and are used by 2.2 million students. The Wisewire team consists of over 2,500 subject matter experts, data scientists, learning architects, and interaction designers who all work together toward a common goal. Our team is full of people that are excited to move the education industry forward with cutting edge ideas and is well positioned to be a high growth company in the Edtech landscape.

### **About the Role:**

Wisewire is seeking curriculum writers/reviewers who specialize in culturally relevant pedagogy to update an existing print K-8 ELA Reading/Writing curriculum. The project involves taking select modules/lessons from existing face-to-face instructional content and revising it to better align to CRP principles. The curriculum is organized into modules with each module focused on a particular theme and texts that align with the module theme. Existing content will likely be updated to focus on new text selections and/or revised to ensure that all experiences (formative/summative assessments, activities, projects) are culturally relevant.

### **Responsibilities:**

- Redesigning module overviews to reflect planned content revisions;
- Writing new or revising existing lessons, including writing text-depending questions and sample answers, designing new assessment opportunities, etc.;
- Providing guidance for teachers on how to ensure content is culturally relevant to their students;
- Creating student-facing handouts and sample answers.

### **Qualifications:**

- Experience in K-8 teaching and curriculum writing for ELA;
- Strong demonstrated experience designing culturally relevant curricula.

### **Rewards:**

- Competitive Salary
- Medical, dental, vision, & more
- 401k Matching
- Fully Remote, with quarterly travel for conferences and meetings
- Paid Time Off
- Paid Holidays
- Tuition Reimbursement Program
- Parental Leave
