

## Developmental Editor, Nursing

### **About Us:**

Wisewire is an Edtech company focused on learning design & grounded in the science of how students of all ages engage, practice, and learn. We create technology-enabled solutions for providers in the pre-K-12, university, career readiness, and alternative credential markets. Our scalable technology enabled framework-driven approach accelerates time to market with high fidelity to outcomes. Design thinkers at our core, we complement fresh perspectives with our combined decades of expertise in quality experience design, sustainable content investment, and a repository of customizable learning objects and skill packs.

Our learning materials have been adopted by 48% of the institutions in the United States and are used by 2.2 million students. The Wisewire team consists of over 2,500 subject matter experts, data scientists, learning architects, and interaction designers who all work together toward a common goal. Our team is full of people that are excited to move the education industry forward with cutting edge ideas and is well positioned to be a high growth company in the Edtech landscape.

### **About the Role:**

Wisewire is seeking a Developmental Editor for Nursing projects. This role is responsible for the quality of assigned content, ensuring that manuscripts adhere to the project's writing and editing guidelines and are revised as needed to address concerns of high importance to reviewers, the Content Lead, and/or the Lead Editor.

### **Responsibilities:**

- Identify and address chapter's strengths and weaknesses based on editorial experience and expertise.
- Revise chapter at multiple stages to meet standard market expectations for quality content within the discipline, ensuring that content is competitive with target market leaders in terms of coverage/scope and depth/rigor.
- Ensure manuscript meets project requirements, including but not limited to ensuring all components are in place (features, assessments, key terms, etc.), finalizing or adjusting art specs, and addressing any concerns about originality.
- Modify the manuscript to incorporate reviewer feedback as directed by the Content Lead (Expert review and Generalist review stages). Communicate with Content Lead (and/or writer, reviewers) as needed to ensure adjustments are made to improve quality and increase adoptability.
- Work with the writing team and Content Lead(s) to ensure that content represents inclusive and diverse scholarship, examples, assessments that are relevant to people from a wide range of backgrounds.
- Provide feedback on writers and reviewers to the Lead Editor as well as suggest adjustments to writing guidelines and/or reviewer questionnaires when needed.
- Elevate concerns regarding quality and/or schedule to the Lead Editor and Project Manager immediately.

### **Qualifications:**

- Significant experience serving as a Developmental Editor of college textbooks, preferably in nursing or closely related disciplines;
- Familiarity with current trends and issues within the nursing, including NCLEX;
- Degree and/or teaching experience in field preferred.

### **Rewards:**

- Competitive Salary
- Medical, dental, vision, & more
- 401k Matching
- Fully Remote, with quarterly travel for conferences and meetings
- Paid Time Off

- Paid Holidays
- Tuition Reimbursement Program
- Parental Leave
