

## **Wisewire Spanish 1—Synchronous Component—7.5: *Mis viajes/My travels***

This lesson has been designed to help students practice their listening and speaking skills. It also meets the ACTFL standards. Then, the script guides the teacher to review the vocabulary entries and grammar concepts learned in previous lessons, emphasizing the pronunciation skills.

- Vocabulary: travel, modes of transportation, the beach, weather
- Grammar: prepositions, contractions, weather expressions, adverbs of quantity

The group engages in a Dialogue section where the students must demonstrate mastery of the content. The provided script can be used in both online and face-to-face classes or for further practice.
